

Internet Safety Agreement For KS1 pupils

I will not give out my name,
address, telephone number, email
address or school to anyone
online without first checking with
a grown up.

I will tell a grown up straight away if I see or hear anything which makes me feel uncomfortable when online.

I will never agree to get together
with someone I 'meet' online.

I will only go on websites that my teacher, parent or carer have agreed to.

I know that not everything I see online is true!

I will not give out any passwords
to anyone (even my best friend)
except my parents or carers.
